

Let's Grow our Legion Family

Evon Harrison

Dept. Vice Commander Area 4

Greetings to my Legion Family

I am Evon Harrison Area 4 Vice commander I have been with the American Legion for eleven years. During that time I have been a Post commander, Post Adjutant, District Adjutant, District Vice Commander, and District Commander. I serve on the National Americanism committee. I have recently been appointed as the Women Veterans coordinator.

I am looking forward to an exciting and prosperous year as we work together to strengthen our Legion family. New Mexico did well in membership last year so let's continue the momentum this year and do better. I look forward to working with the Districts and helping to grow your post home. National has provided us with the tools to make this possible. Let's remember why we are a part of this great organization and use this as our strength as we move forward this year, Veterans, Families, community service.
